

Preventing Elder Abuse Through Community Engagement

CREATING SAFE COMMUNITIES WORKSHOP

The Northwest Territories Seniors' Society (NWTSS) offers the
“Creating Safe Communities for Older Adults Workshop”
to NWT communities.

Workshops will educate community members on elder abuse, how to prevent it, and how to create a community action plan for a safer future.

A two-day event facilitated by NWTSS staff and special guests will feature hands-on, PowerPoint, and discussion-based learning. Host communities provide a space, an interpreter (if necessary), lunch/snacks, and advertisement to their community.

Free, in your community, on your schedule.

To request a workshop, contact NWTSS.
